

# Standards & Assessment PFT Notes

California Department of Education  
Jack O'Connell, State Superintendent of Public Instruction

June 2007

## Reporting Deadline

The deadline for districts to submit their 2006-07 physical fitness data files to the Physical Fitness Test (PFT) contractor, Educational Data Systems (EDS), is June 30, 2007. Refer to the April PFT Assessment Notes for detailed instructions found at <http://www.cde.ca.gov/ta/tg/pf/>.

## Schools With Ten or Fewer Students Tested

Although the PFT data will not be included in a school's School Accountability Report Card (SARC) when there are ten or fewer students participating in the PFT, schools are still required to test and report the PFT results. The results will be included in the summary PFT results posted on DataQuest at <http://dq.cde.ca.gov/dataquest/>. In addition, the school will have access to their individual students' results via the PFT contractor's Web site. This Web site will be available after the 2007 PFT results are posted on DataQuest.
